## Kettering Mind conquers Mount Snowdon

Kettering Mind organized a fundraising walk up Snowdon on 21st August. There were 26 friends of Mind on the trip and between them almost £4,000 was raised. As you can see by the faces of those in the picture, it was quite windy on the top, but the weather was absolutely perfect for hill walking. The sun shone all day and there was not one drop of rain. For some of the group it was their first trip to Wales and their first walk up a mountain. Congratulations goes to all those

who took part in the trip. If you would like to sponsor any of the team members then please ring the Mind office on 01536 523216.

**Only a couple of weeks left to buy your ticket for the concert at Wicksteed Park on 24th Sept. Ring 07717 158989 today.**

## Quality Management in Mind Review Outcome

The Quality Review Panel met recently in London to consider Kettering Mind's resubmission report. We are very pleased to report that Kettering Mind has achieved the highest award possible, level three of Quality Management in Mind and therefore also achieved the Charity Commission endorsement, a splendid

result. The Review Panel recognised that quality is embedded in Kettering Mind not just because of the leadership from trustees and the senior management team but also because of a commitment to quality across the whole organisation. Congratulations to all those at Mind who have worked so hard to achieve this award.

Kettering Mind is committed to Mind's Quality Standards
